Meeting Minutes Review/Approve January 28, 2016

Discussion

- Campbell Farm Subcommittee
- Betty Dunn and Peter Griffin are interested in remaining on the subcommittee. Mr. Morris will send an email to all members inquiring about intent to stay on the subcommittee

Technical Review Committee (TRC) February 9th /Planning Board February 17th

- Case # 2016-1/Minor Site Plan/Change of Use Application/85 Range Rd
- Mr. Karl Dubay reviewed Case #3-2016
- Equipement rental company
- No concerns or issues

Case # 3-2016, lot 18-A—475, 43A Woodvue Rd, to allow a garage to be 18ft. from side lot, where 30 ft. is required.

- Karl Dubay passed out to Board members a copy of the plan submitted to the ZBA
- Mr. Dubay reviewed Case #3-2016
- Home is currently under construction
- Requesting an extension for 1 additional garage bay from the ZBA at their next scheduled meeting.
- The home owners are engaged in conversation with abutting neighbors
- There will not be any increase in impervious surface
- Applicant is not proposing to put the extra bay into WWPD or other wetland buffers

No questions, concerns, or issues from the Conservation Commission Board for Case #3-2016

Case # 4-2016, lot 2-B-754, 29 Nottingham Rd, to allow an addition to remain in the Wetland & Watershed Protection District.

- Owner, Jeff Vines
- Mr. Vines is the third owner of the property
- The second owner did not satisfy a required variance prior to selling the property

Mr. Morris asked if the addition is attached to the house. Mr. Vines confirmed the addition is attached to the house.

No questions, concerns, or issues with the application from Conservation Commission Board for Case #4-2016
